## INSIDE THIS ISSUE

- 1 Have a Skate with Bob
- 1 Veteran's Day
- 2 Merchandise Table
- 2 Gratitude

## Have a Skate with Bob

On November 7, 2015 at 1:00 P.M., the Rockford IceHogs will host the 5th Annual Have a Skate with Bob. Have a Skate with Bob is a charitable organization dedicated to raising funding for pancreatic cancer research, youth hockey programs and for families dealing with pancreatic cancer through our love of ice hockey (skatewithbob.com, n.d.). The Rockford IceHogs Booster Club is proud to announce that we have selected this group as one of the charities to support this year. And we will be sponsoring one of the teams!

If you are interested in attending the event and supporting this great charity, visit the HASB website at [http://www.skatewithbob.com/#!/product/prd2/3258916291/hasband-rockford-icehogs-tickets!](http://www.skatewithbob.com/#!/product/prd2/3258916291/hasband-rockford-icehogs-tickets) Your purchase of tickets to Have a Skate with Bob will also give you entrance to the game at 7:00 p.m. against the Milwaukee Admirals. If you already have a ticket for the night game, that will get you into the day games. Thank you to everyone for joining our booster club in supporting Have a Skate with Bob!

## Veteran's Day

The Rockford IceHogs Booster Club would like to thank the Veterans of our Military Personnel. This special day is observed to reflect the sacrifice each of you have made. Our gratitude is being sent to all of you for your service past and present. We know that you are all our heroes of yesterday, today and tomorrow. Words can never express our thankfulness to you and your families.

## CONGRATULATIONS!

The Rockford IceHogs Booster Club would like to send a shout out to **Michael Leighton** for his 42nd AHL career shutout.

## Merchandise Table

Many of the items for sale at the Rockford IceHogs Booster Club table have been created by our club members. In fact, this is the first year that we have had player buttons ready for purchase at the start of the season. It is so much fun to see fans strolling through the concourse supporting their favorite players. Thank you to all the volunteers who helped get the buttons done for the games. Stop by the table to purchase your favorite player(s) button for yourself. Remember these buttons make the perfect stocking stuffers for your favorite IceHogs fan.

Our club is also extremely grateful for the craftsmanship from a couple of our members who assemble the large bells sold at the table. These bells make a great way to celebrate a goal, welcome the players onto the ice, and make lots of noise to celebrate an IceHogs win. If you haven't picked up a bell, they are available in black or red and also make the perfect gift.

## Gratitude

In the next few weeks many of us will create our Thanksgiving menu, travel plans, and activities for our families. Our plans are usually made around the schedule of the team. Our schedules are usually based on where we are watching the game.

Before the holiday season begins, the Board members want to wish everyone a Wonderful Thanksgiving. We are extremely grateful for each of you who helps support our club by buying the items at the table and purchasing 50/50 or jersey raffle tickets. We are thankful for the members who support the club through volunteering their time, talents and most importantly, the giving spirit many of you have shown to support our local charities. We are thankful for the IceHogs players, coaches and staff for their support that gives us an avenue to support the needs of our local charities.

We hope you enjoy good food, quality time with family and friends, and continue to share the love we all have for the sport of Ice Hockey!

Raitis Ivanans was the first former IceHogs player to play in the NHL. The rugged winger has played for the Montreal Canadiens, Los Angeles Kings and Calgary Flames.
