Tis the Season of Giving

It is hard to believe that the Holiday Season is right around the corner. The signs of winter and the holidays are popping up everywhere. While we think about the Season of Giving; we think about our family, friends, fellow members, and the friends we have made through our love of hockey, specifically for the Rockford IceHogs.

The Rockford IceHogs Booster Club's Mission and Purpose are centered on the idea of giving, and we are proud of the giving nature of our members, officers and the Rockford IceHogs fans. Since the start of the season, we have given \$1,800.00 to local charities. Club members donated school supplies and peanut butter to support our local children during our member drives in September and October. In December, our membership will come together to volunteer at a local food pantry distribution center, shop for Christmas presents for the residents of a local nursing home, and donate gift cards to Adopt An Angel, to ensure children in the foster care system will have a Christmas present.

Our officers and members know that our giving would not be possible without the support of the Rockford IceHogs organization, players, coaches, staff and fans. We all know that Rockford is many things, and without a doubt, it is one of the most GIVING communities, especially when it comes to supporting our local charities. Thank You for "GIVING".

November Charity

Our members brought in needed items for Carpenter's Place. Carpenter's Place is a local charity that provides the tools necessary for rebuilding the lives of homeless adults. Our members donated over 30 bags of items filling the back of a minivan. The guests of Carpenter's Place express their thanks to our club. **Thank you to everyone who donated!!!!!!**

Are you, or anyone you know, interested in becoming a Rockford IceHogs Booster Club Member? There are several ways to get information about the club. You can stop by the Booster Table to meet and talk with some of our officers and members. You can visit our website at <http://icehogsboosterclub.org/>, click on the tab "About Us", where you can find the membership applications, volunteer forms, and more information. Individual Memberships are \$15.00 per year and family memberships are \$25.00. Membership meetings are held on the third Thursday of each month at Stockholm Inn at 6:00 PM.

All members receive a membership pin, a welcome email, email updates, and monthly e-newsletters. We hope you will join us in supporting the Rockford IceHogs and the local charities.

Other Booster Clubs

Did you know that there is an Association of American Hockey League Booster Clubs? Check out what other Booster Clubs around the League are doing to support their teams and local charities. While many of us may never meet our fellow Boosters; it feels great to be able to be part of a group that supports hockey and local charities. Check out the sites of other clubs by clicking on this link http://www.aahlbc.org/links_boosterclubs.php. Better yet, while at the other arenas, stop by their Booster Club table and introduce yourself! You may even recognize a face or two from them visiting our arena!

*Merry Christmas and Happy
New Year from the
Rockford IceHogs Booster Club!*

Rockford IceHogs Booster Club Membership meetings are held on the 3rd Thursday of the month at Stockholm at 6:00 P.M.
