### Club Sponsored IceHogs Team Player Event Policy:

A purpose of the Rockford IceHogs Booster Club is to encourage and support good sportsmanship among all fans and players who attend IceHogs home games as well as away games. In addition, the organization is a civic one that is responsible in the community and establishes support for local charities.

To be a successful organization, adult Club members are called upon to help support the operations of the Club by volunteering their time. The volunteerism is needed to assist with the running of the Booster Table during all home games of the Rockford IceHogs Hockey Team. The Booster Table is the main avenue in which the Club is able to promote good sportsmanship and generate support for local charities.

In addition to the success of the Booster Table, adult Club members may volunteer their talents (such as photography, social media, hospitality, etc.) to assist with promoting the purposes of the organization in other avenues.

To show appreciation to the Club members for their volunteer efforts, the Club will sponsor up to three (3) events with the IceHogs Players. The exact number of events is dependent on the IceHogs Organization willingness or availability to attend such an event.

To be considered a volunteer, an adult Club member will have supported the organization at minimum, three (3) times during the first half of the hockey season (to attend the midseason event) and an additional three (3) times during the second half of the hockey season (to attend the end of season event and the following year's welcome event.) **The amount of volunteerism is not associated with nor contingent on a Club member's ticket status with the IceHogs Organization.**

Volunteer support for the organization may take the form of any of the avenues previously described in paragraph 2 and 3 on the first page of this policy. Additional support in the avenues of photography and social media, is the continued upkeep of the media or new photos as needed.

Documentation of the volunteer efforts will be represented by the member's signature on the sign-in sheet for each avenue.

Volunteer opportunities available to the membership are:

1. Selling 50/50 and jersey raffle tickets at Booster table
2. Selling 50/50 raffle in the crowd
3. Purchasing locker room fruit or bus food (make arrangements with Hospitality Chairperson if member cannot deliver to rink or bus) The Club will reimburse member per Locker Room/Bus Food Policy.
4. Photography/Player buttons
5. Social media
6. Participating in fund raising events (e.g. summer car wash, selling pies, knitting scarves, etc.)
7. Donating to local charities designated each month by the Club (e.g. school supplies, peanut butter for the Pantry, socks for kids in the court rooms; etc.)
