August Charity

Thank you to all our members who donated school supplies for our annual drive. This year we were able to donate the supplies to Barbara Olson Center of Hope. Our donation will help the Center to provide valuable vocational and educational opportunities for individuals with disabilities. The supplies will help the staff carry out their mission which is to "Help individuals with developmental disabilities reach personal goals through individualized skill development, vocational opportunities, and community service" for years to come (b-olsoncenterofhope.org, 2016).
